

THOMAS WOLSEY SCHOOL CLASS TEACHER

- Salary: MPR + SEN
- Job Term: Full Time
- Appointment: Permanent commencing 16th April 2018
- Place of Work: Thomas Wolsey School, Ipswich

Closing date: 5th February 2018

Interview Date: week commencing 19th February 2018

Class Teacher

We are seeking to appoint an enthusiastic and dedicated teacher to join our school after Easter 2018.

We welcome applications from both Newly Qualified and experienced teachers from either a mainstream or a special school background. Although SEN experience is desirable, it is not essential as training will be provided. Secondary experience would be beneficial and experience of teaching English would be desirable. Most importantly, you must have the aspirations and desire to make a difference by providing exceptional care, guidance and support, so that pupils thrive and make excellent progress in their personal development.

“Thomas Wolsey is an outstanding school. Pupils’ achievement is outstanding. They make rapid progress in communication, literacy and numeracy skills during their time in school. The oldest pupils achieve a wide range of relevant examination courses and are extremely well prepared for the next stage in their life. Pupils learn exceptionally well because the quality of teaching over time is outstanding. Teachers have a thorough knowledge of each pupil. They use this information exceptionally well to plan activities which extend the thinking of all pupils. Support assistants and therapists provide excellent support for pupils’ learning. They work closely with teachers to set the highest expectations of pupils’ learning and behaviour.” (December 2014)

We offer excellent support to our staff ensuring that all staff get the additional support and training they need and opportunities to build upon their experience and rapidly progress further in their career.

Our school caters for children from 3 to 16 with complex physical, medical and sensory needs. We have an evolving school population of 94 pupils with ever more complex needs.

We are in purpose built modern accommodation co-located with Ormiston Endeavour Academy. We are a flagship special school, rated outstanding in all areas by Ofsted in December 2014 with inclusion at its heart. Some pupils access dual placements at their local schools across Suffolk.

We will be part of Ormiston Academy Trust before Easter and our name will change to Thomas Wolsey Ormiston Academy.

We have over one hundred multi-disciplinary staff, working to meet our children's educational, health, physical and emotional development.

For an application form please send a large SAE (98p) to the Thomas Wolsey School Office at Defoe Road, Ipswich IP1 6SG, download from our website at www.thomaswolsey.com or email office@thomaswolsey.com

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expect all staff and volunteers to share this commitment. DBS checks or police vetting will be required for relevant posts.

If you have not been called for interview within a week of the closing date then on this occasion your application has been unsuccessful.
