In the Spring Time

Monkeys Medium Term Plan – Food – Spring Term 2018

Above are the mini-topics we will be exploring over the course of the Spring term. These mini topics will give the pupils the opportunity to learn and develop existing and new skills. Activities will be set for pupils to have fun and multisensory approach.

Every aspect of our curriculum will be taught within the topic in a **complete** topic based way.

This will still include all of the following;

Communication and Language
Listening and Speaking
Reading and Writing
Maths
Sensory Curriculum
TAC PAC
Music and Movement
Fine Motor skills
Dough Disco

Sensology
Digit Dance
Music Therapy
Sounds of Intent
Object Exploration
Expressive Art and Design
Music and Art
Design & Technology
Songs

Number of weeks: 12

Number of mini-topics: 14
