

Curriculum Area: Arts
Early Years -KS 4 Programme of Study

The arts are central to pupils’ learning across the curriculum for their ability to develop pupils’ confidence, creativity and self-expression. Pupils will focus on arts development through various areas of the curriculum, however, also have a discreet art focus within the curriculum, where they develop creative expression, technical skills and learning about the arts within art and design, performance arts (dance and drama) and music.

Early Years

Topic	Exploring and Using Media and Material Being Imaginative		
	Art and Design	Music	Performance Arts/ Role Play
	Medium Genre Artist	Medium Genre Artist	Medium Genre Artist
